What is Gin & where did it come from?  
How is Gin made - what is the process?

What is the Gin act of 1700?

Gin and beer - what is the connection?

What tonic to use?

All these questions answered while you  
sip on some traditional Gins  
to the very latest flavours from small  
batch distilleries.

The event takes place in our tasting room and is  
presented by The Gin Lord in conjunction with  
Arcade Tavern. Who is The Gin Lord? A lifelong  
gin lover, Suffolk-based Ginthusiast & Connoisseur.  
Lover of all things juniper related. An actual Lord too!
